

Own the Season!

Designed with the weekends in mind, the **Ridgeland** from **UnderCover** is the most dynamic truck bed cover to hit the market. A built-in perimeter track system on the top of the bed cover allow for unique, personal customization with product from **YAKIMA**.

Free up the hitch!

Hitting the trails for the weekend? Mount your bikes on top of the bed cover with racks from **YAKIMA**, and keep your trailer hitch free for trailers, campers, boats, or whatever your weekend calls for.
